

**Thank you for participating in the PhaKIR Challenge at MICCAI 2024!**

**We would appreciate your feedback to help us improve by taking 3 minutes of your time.**

## **Section A: PhaKIR Challenge Feedback**

## A1. Technical Experience

**Evaluate your experience with the technical aspects of the challenge.**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
The challenge platform was easy to navigate and use.	<input type="checkbox"/>				
The submission process was smooth and user-friendly.	<input type="checkbox"/>				
Encountered no technical issues throughout the challenge.	<input type="checkbox"/>				

## A2. Organizational Aspects

**Share your thoughts on the technical organizational elements of the challenge.**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
The rules and guidelines for the challenge were clear and accessible.	<input type="checkbox"/>				
Communication from the organizers was timely and helpful.	<input type="checkbox"/>				
Support for troubleshooting was effective.	<input type="checkbox"/>				

**A3.** Have you previously participated in other challenges (e.g., those hosted on platforms like Synapse or Grand Challenge)? If so, how many?

#### A4. Comparison to Established Platforms

**Evaluate the platform's technical performance and reliability compared to established alternatives (like Synapse or Grand Challenge).**

The platform provided reliable technical performance compared to established platforms.

Strongly  
Disagree      Disagree      Neutral      Agree      Strongly  
Agree

<input type="checkbox"/>				
--------------------------	--------------------------	--------------------------	--------------------------	--------------------------

The technical features and tools were as effective as those on established platforms .

<input type="checkbox"/>				
--------------------------	--------------------------	--------------------------	--------------------------	--------------------------

I would trust this platform for hosting future technically demanding challenges.

<input type="checkbox"/>				
--------------------------	--------------------------	--------------------------	--------------------------	--------------------------

**Thank you!**
