

We would appreciate your feedback to help us improve by taking 3 minutes of your time.

Section A: PhaKIR Challenge Feedback

We noticed that while many signed up, not everyone completed a submission.

We'd like to understand any potential barriers or difficulties you may have encountered.

A1. Was there specific information or support that would have helped you complete a submission?

Technical setup

Clarity of instructions

Other

Other

A2. Would you consider participating in future challenges on this self-hosted platform from a technical point of view?

Yes

No

A3. Any additional comments are also welcome. Your input will help us shape a better experience for future participants.

Thank you!
